Floor can be slippery because of spilled product  
Refer to measures indicated in paragraph 7 and 8.

Environmental measures Précautions:

None in particular.

Cleaning instructions:

Rinse abundantly with clear water.  
Do not refill the container with the spilled product for further use.

---

**7- Storage and handling**

Instructions relating to storage are applicable to buildings and places where the products are handled.

Handling : Avoid contact with the eyes.

Storage :

Keep the container closed and in a dry place.  
Keep in the original container only.  
Do not store beyond the expiry date indicated on the container.

---

**8- Control of exposure/individual protection Contrôle**

Technical measures: No special measure necessary.

Respiratory protection devices: No special measure necessary.

Hand protection: No special measure necessary.

Face and eyes protection : avoid contact with the eyes.

---

**9- Physical and chemical properties**

Density:	unspecified
Odor:	unspecified
Color:	unspecified
Solubility in water:	unspecified
Vapor pressure of volatile components at 50°C:	not relevant
Physical state:	fluid emulsion
Flash point interval:	not relevant
pH:	8.1 – 8.3
Spontaneous combustion temperature:	unspecified
Decomposition temperature:	unspecified
Fusion temperature interval:	unspecified
Medium temperature for the distillation of solvents:	unspecified

---

**10- Stability and reactivity**

The product is stable under the storage and handling conditions stated in paragraph 7 of this MSDS.

Unadvised conditions: do not mix with other products

Unadvised material: none known

Decomposition hazards : none known

---

**MATERIAL SAFETY DATASHEET**  
(Presentation and editing conform to the modified European Directive  
EEC/91/155)

**11- Toxicology information**

No data available.  
No component indicates that the product could represent a toxicological hazard

---

**12- Environment information**

No data available.  
Aquatic toxicity: Aucune No data available.  
No component indicates that the product could represent a toxicological hazard

---

**13- Special precautions for the disposal**

Wastes:  
Recycle or dispose of according to national requirements.

---

**14-Special precautions for transport**

ADR / RID	Not listed
IMDG	Not listed
IATA	Not listed

---

**15- Regulatory information**

The product is not listed as hazardous.

---

**16- Other information**

The environment and working conditions of the persons handling the products not being known to us, the information contained in this MSDS are based on our knowledge as well as on the national and EU regulations.  
The product should not be used for other purposes than indicated in paragraph one without the receipt of written special handling instructions.  
It is the responsibility of the user to take all necessary actions to comply with local laws and regulations.  
The information contained in this MSDS should be considered as a description of the security requirements relating to the product and not as a guarantee of the product's properties.  
It is recommended to pass the information contained in this MSDS to the end user, in a suitable presentation if necessary.  
All information contained in this MSDS refers only to the specified product and cannot be valid if the product is combined with other material.
